Parent/Player/Coaching behaviors are the key factors in continued participation of youth in sports today. Remember that this program is for the recreational players and teams, and setup of teams and league play is for the betterment of the whole program vs. individual teams or players. Teams are setup in an effort to balance abilities and experience different coaches. Players with advanced abilities should consider playing up in the next division. Sportsmanship is key for players, coaches and spectators. Failure to demonstrate appropriate behavior could result in suspension from current & future FDSA activities.

Games are played at Harlan Rogers Sports Complex normally on Saturdays.

**Main soccer parking is in Harlan Rogers lot** (south of Soccer Complex). Please reserve North lot parking for visitors, those with small children and those with mobility problems.
